This is Homer,
a shepherd boy.
He loves to play
and laugh with joy.
He takes the sheep
to eat all day
up in the hills,
as his parents say.

here

near

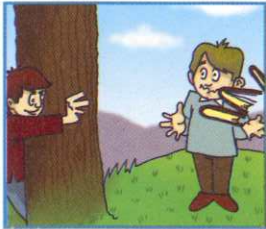

But as he goes
to work one day,
he feels so bored
and wants to play.
“What can I do?
Nobody’s here.
How can I play?
No-one is near!”

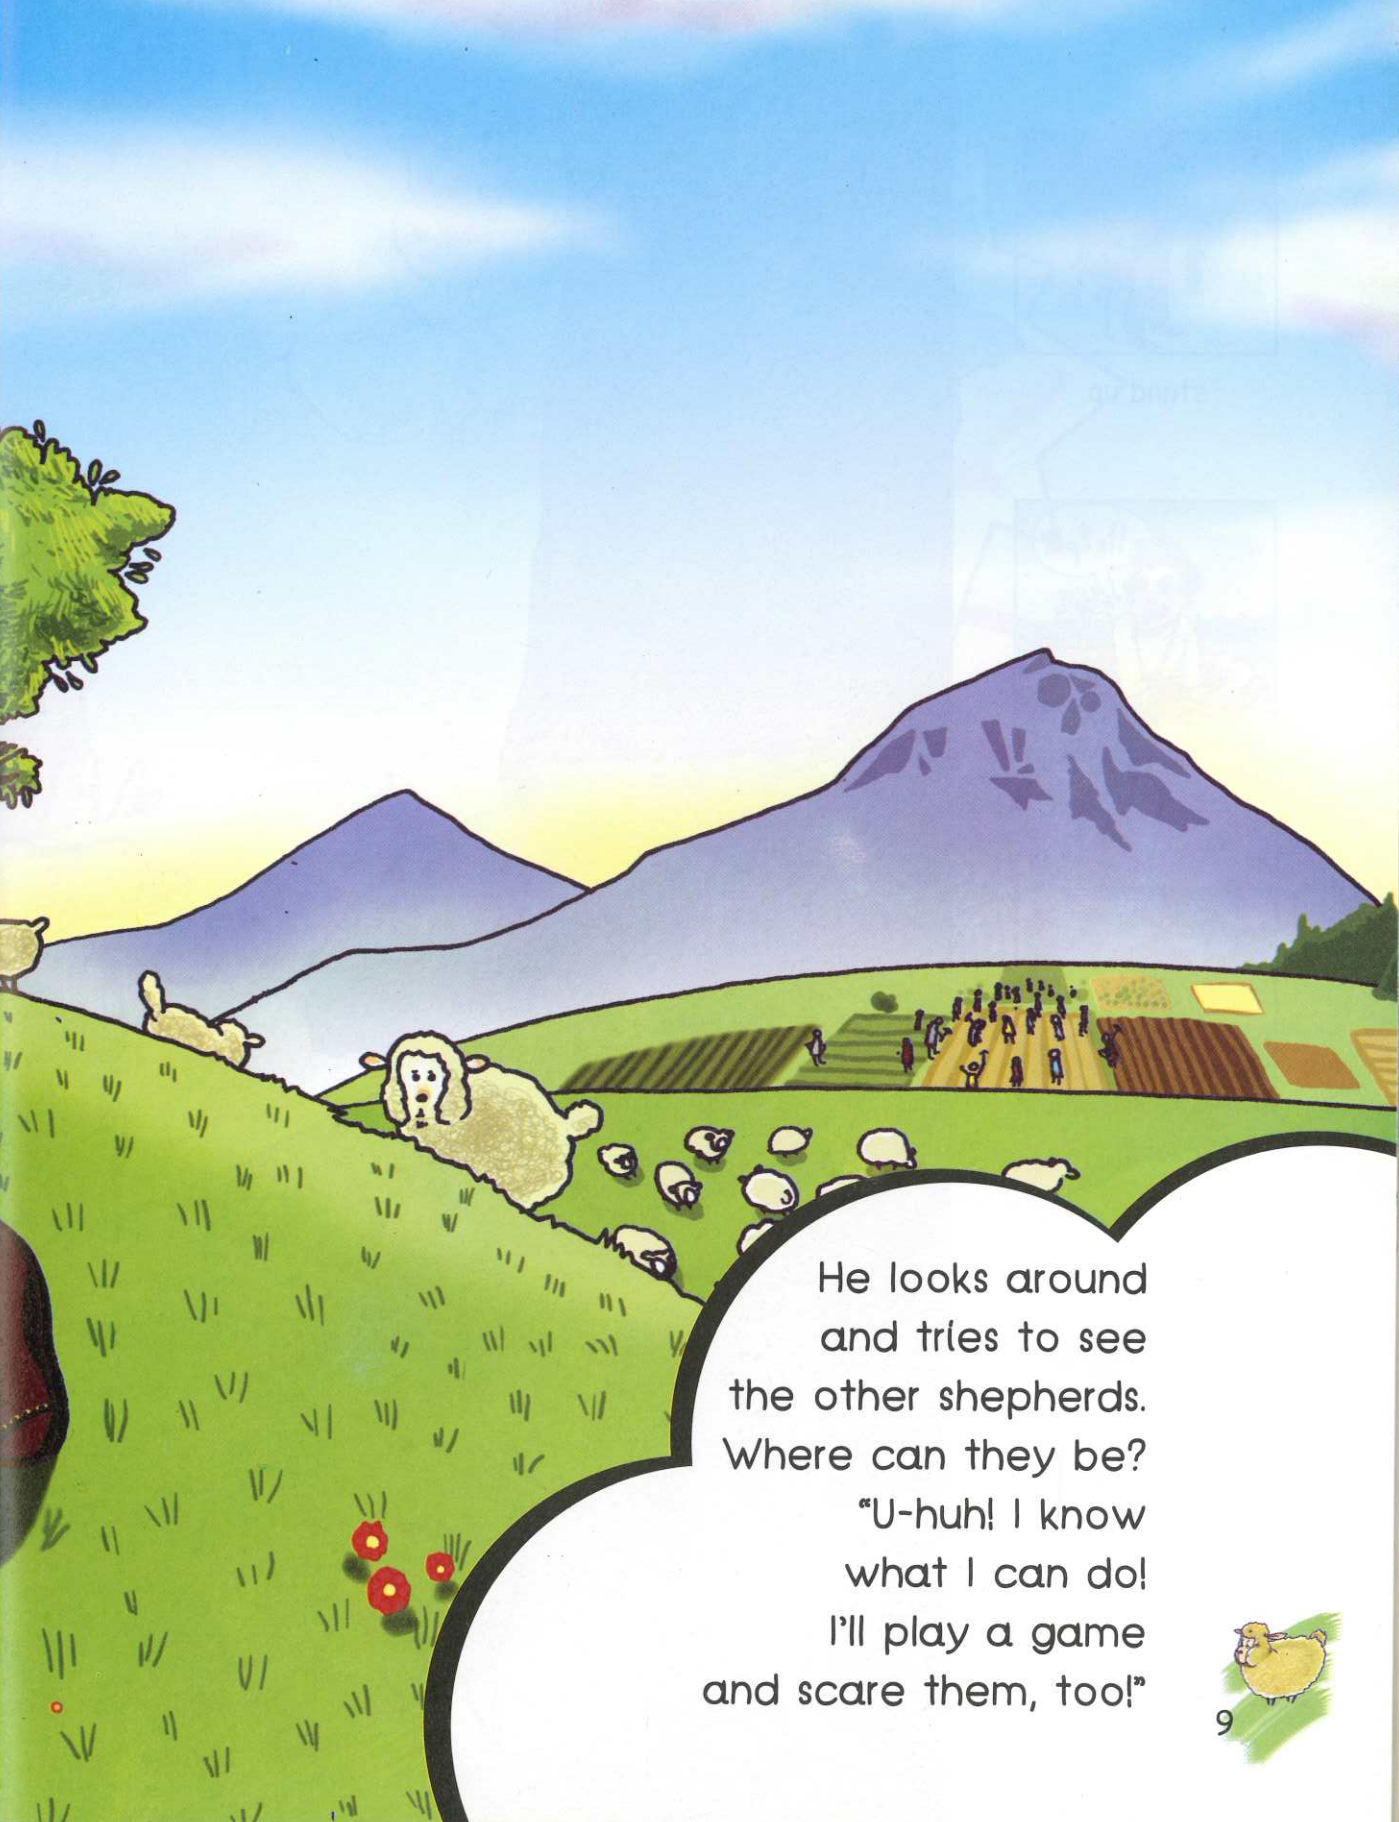

look

scare

He looks around
and tries to see
the other shepherds.
Where can they be?

“U-huh! I know
what I can do!
I’ll play a game
and scare them, too!”
