

This is Mr Claus, a carpenter. He lives in the cold North with his wife, Mrs Claus. They love children very much, but they don't have any.

It's so cold this winter.
The children can't play.

Yes, it is snowing, but
it's soon Christmas Day!

What are you making? It looks very good.

It's a doll. Isn't it clever? And it's made out of wood!

It looks very good.

It's for a girl from the village, you see.

Can you make more?

Every day I make three!

Then, if it's snowing
and they can't go
outside...

...they can play at home
and be happy inside!

Let's make toys for Christmas and give them away!

Then the children can be happy on Christmas Day!
