There was a magic kingdom, once upon a time.  
The King and Queen were happy and life was very fine.  
Their palace had big gardens with pretty flowers and trees,  
and lakes and streams and rivers and butterflies and bees!

"My dear, we're very lucky. We both have everything!"  
"Our life is not so perfect; we need just one more thing.  
We need a little baby.." "... to be a king one day!"  
"Perhaps a little daughter to sing and dance and play!"

"I have some things to do now! You rest here by the stream."

"I want a little baby - that is my only dream .."

"You'll have a little daughter within a year for sure!

I tell the truth, believe me! Don't worry anymore."

Before the year was over, their only dream came true.

"As pretty as a flower! Rose is the name for you!"

"Our daughter's very special. Let's have a palace ball!"

"Tell everyone to come here. We must invite them all!"
