One day, a nightingale in a tree heard
a beautiful girl and a handsome young man
talking in a garden.
"I like you very much, young man.
But I will only dance with you at the Prince's party
tomorrow if you bring me a red rose."
"A red rose?" said the young man.
"All right! I will find one."

The beautiful girl left the garden
and the young man began to look for a rose.
He looked at all the rose trees
but he couldn't find a red rose.
He started to look sad.
The nightingale saw him and started to sing.
"This handsome young man should not look so sad.
I will sing a song to make him happy again."

The nightingale sang a beautiful song
while the young man looked
in every corner of the garden.
But he couldn't find a red rose!
"All I want is one red rose!
One red rose and my love will dance with me!
Where, o where can I find a red rose?"
